services. Since the program's inception in 2009, we have offered horsemanship experiences to over forty children and adults with various special needs- many who remain a part of our family today. More than sixty dedicated and passionate volunteers have helped to foster a nurturing environment where individuals could grow physically, mentally, socially and emotionally. With the support of our board advisory and financial sponsors, the program has maintained a herd of eight horses and a small number of farm animals for recreational therapy.
